WELCOME TO PENTICTON

Penticton, from nsyilxcən snpintktn, is one of just two cities in the world situated between two lakes. Along with all of the year-round outdoor recreational activities available, our city has deep roots of craft and Indigenous culture, and agriculture has been an important and long-standing contributor to Penticton's livelihood. There are over 80 wineries in the Penticton area, 8 craft breweries, 2 cideries and 3 distilleries all within easy walking or biking distance of the downtown core. We offer the perfect destination for gatherings of any size, and we are thrilled to welcome your conference, convention, incentive, trade show, event, retreat, team building excursion — or any business gathering — to our spectacular year-round, economical destination. We hope this map helps you find your way around, or entices you to learn more about us.
